NADA's Developments in Norway 2006 - 2014

I have been training over 700 workers from:

- hospitals units in different counties
- the Norwegian Correctional Services
- rehab institutions
- halfway houses
- volunteers for Retretten

My focus in the training

All addicts live a life as if they were in a prison without
release date...

Are we helping people out of the abuse – must we give them something else they can trust..

Photo: Peder Aresvik

We must give them a treatment that they need, not
just cigarettes and coffee...
